A Judy Niemeyer Quilt

Taught by:

Kelly Grant

Judy Niemeyer Certified Instructor

Pre-Class Instructions: Purchase your Pattern. Please read the instructions in your pattern at least one (1) time before class. This will help to ensure that you understand the cutting information below. It is strongly encouraged that you have the papers, templates, and fabrics for the entire project cut out, placed in bags, and ready to use in class. Since this is usually a one-day class, if these steps are not completed, it will be difficult for you to catch up to participate during class.

Foundation Papers: Follow the cutting instructions on page 5 of your pattern to cut the foundation papers, template Layout Sheets and place them in the correct bag.

Fabric Cutting Instructions: Please read through "*Cutting Instructions*" on your pattern before beginning the steps below. We recommend checking the Quiltworx website for pattern corrections before you begin cutting your fabric. Follow the cutting instructions on pages 6 & 7 of your pattern and place all the pieces in the correct bags.

If you have any questions regarding this class, please contact me directly. You may also want to check out the website www.quiltworx.com prior to selecting fabrics. There are many samples, slide shows, and color-changing quilts available for you to enjoy. Also ***check for any corrections*** and helpful hints on the website.

If you need help in selecting fabric, give me a call.
