Pre-Class Instructions: Purchase your Pattern. Please read the instructions in your pattern at least one (1) time before class. This will help to ensure that you understand the cutting information below. It is strongly encouraged that you have the papers, templates, and fabrics for the entire project cut out, placed in bags, and ready to use in class. Since this is usually a one day class, if these steps are not completed, it will be difficult for you to catch up to participate during class.

Foundation Papers: Follow the basic instructions on page 2 of your pattern to cut the foundation papers, template Layout Sheets and background sections for the Wrapped in Ribbon. There are enough papers to make two runners so you will only need enough for one during class.

Cutting Instructions: Please read through “*Cutting Instructions*” on your pattern before beginning the steps below. We recommend checking the Quiltworx website for pattern corrections before you begin cutting your fabric. Note: Please make sure all of the Template Sheets, Foundation papers, and pieces are placed in the correct bags!

Sub-Cutting fabric Instructions: Follow the cutting instructions under “*Cutting Instructions*” for all three bags on pages 4-5. After cutting all the fabrics, clip pieces using large paper clips and place in specified bags.

If you have any questions regarding this class, please contact me directly. You may also want to check out the website www.quiltworx.com prior to selecting fabrics. There are many samples, slide shows, and color-changing quilts available for you to enjoy. Also **check for any corrections** and helpful hints on the website.

If you need help in selecting fabric, give me a call.
